PREFACE

INTRODUCTION

Towards the southern tip of Thrissur district the cultural capital of Kerala, lies Mala, a small town steeped in cultural heritage, where nestled in an idyllic locale stands Carmel a first grade constituent and residential college for women under Calicut University started in the year 1981, the college is run by the sisters of congregation of the Mother of Carmel, (CMC Udaya Province, Irinjalakuda) who guided by their founders Blessed Kuriakose Elias Chavara and Rev. Fr. Leopold Boccaro have taken up the apostolate of education, especially that of women and children.

OUR VISION

We envision the upliftment of the weak and downtrodden sections of society, especially that of the rural women, to liberate them from the shackles of bondage to a new world of light and love. We strive to achieve this high goal by empowering the girl child with knowledge and inculcating in her spirit of selfless love and compassion. Education we have always felt should help promote the total development of each girl in her uniqueness, through integrated physical, emotional, intellectual, spiritual, social and cultural growth so as to build a world of peace, harmony and universal brotherhood. With this vision in mind we have tried to introduce relevant ideals and values into our curriculum and mould them into young women of integrity.

OUR MISSION

We dedicate ourselves to the cause of empowering rural Women with knowledge and inculcating in them the spirit of selfless love and compassion, to spread peace in the society, living in harmony with nature and to illumine the world to eternity.

THE CREST

The crest symbolizes the ideal for which the college stands. Blessed Virgin Mary, chosen by God to bring forth the light of the world, the morning star, from whom the benign rays emanate, is our source of light. She presides over the college and bestows her light and blessing on her children.

We in turn try to radiate this light kindled in our hearts in the form of sincere love made manifest through selfless service to our brethren irrespective of caste or creed. Hence, our motto is “Light and Love”.

PRAYER AND COLLEGE HYMNS

ASSEMBLY PRAYER

O GOD, Most Loving Father
We adore you and praise you
For your constant love
and your loving presence
We thank you, for this beautiful morning
For your divine providence
For your healing touch!
Bless us O Lord; at the beginning of this day
With your wisdom and understanding
So that we may do, that which is
Most pleasing to you
Enlighten our minds with your light
Guide us with your spirit
To learn and to grow in knowledge
Bless our country, our parents, our teachers
and everyone who come in contact with us
So that we may reflect your light and your love
In our lives. Amen

 കാരൂണ്യമെന്നിൽ ചൊരിയണേ ഭൂവിതൻ
 കാരണമായുള്ള തമ്പുരാനേ....
 അച്ഛനുമമ്മയുമെന്തു പറഞ്ഞാലും
 അക്ഷരം തെറ്റാതനുസ്സരിച്ചും
 ഉള്ളിൽ വെളിച്ചം പകരും ഗുരുവിനെ
 ഉണ്മയിൽ സ്നേഹിച്ചും ആദരിച്ചും
 കൂടെ പഠിക്കുന്ന കുട്ടികളെ തന്റെ
 കൂടപ്പിറപ്പുകളായ് നിനച്ചും
 മാതൃഭൂവിനായ് ജീവൻ തുജിച്ചോരെ
 മാതൃകയായിട്ട് സ്വീകരിച്ചും
 ഇൗശ്വരാ കൈകുപ്പി.....

.....

Make me a channel of your peace,
 where there is hatred, let me bring your love,
 where there is injury, your pardon, lord
 and where there's doubt, true faith in you.
 Oh, master, grant that I may never seek.
 So much to be consoled as to console,
 to be understood as to understand,
 To be loved as to love with all my soul

.....

Ant. O give thanks to the Lord
 For He is good (3)
 Yes, eternal is His love.

I Will sing to my God never ceasing
 All my life, I well tell of His wonders.
 He's the maker of all earth and heaven,
 Of the ocean, the seas and all they hold!
 The Almighty is faithful forever,
 He is just to the poor and the outraged,
 It is he who gives bread to the hungry,
 Who delivers the captives from their chains!
 He gives sight to the blind in His mercy,
 And He raises the lowly, the humble,
 It is He gives shelter to strangers,

Every orphan and widow He defends!

.....

Ref:- There are Numerous Strings in your lute,
Let me add my own among them.
Then when your smile you chords,
My heart Will break its silence
And my heart will be one with your song
Amidst Your numberless stars,
Let me place my own little lamp
 In the dance of your festival of lights
 My heart will throb and
 My life will be one with our smile

.....

All things bright and beautiful.
All creatures Great and small
All things wise and wonderful.
The good God made them all.
 Each little flower that sings
 Each little bird that sings
 He made their Glowing colours
 He made ther tiny wings
The purple headed mountains
The river running by,
The sunset and the morning
That brightens up the sky.

.....

**EVALUATION AND GRADING FOR UG REGULATION 2019**

Mark system is followed instead of direct grading for each question. For each course in the semester letter grade and grade point are introduced in 10- point indirect grading system.

Course Evaluation

The evaluation scheme for each course shall contain two parts:

1. Internal Assessment. 2. External Evaluation. 20% weightage shall be given to the internal assessment. The remaining 80% shall be for the external evaluation.

1. Internal Assessment

20% of the total marks in each course are for internal examinations. The marks secured for internal assessment only need to be sent to University by the colleges concerned.

The internal assessment shall be based on a predetermined transparent system involving written tests, Class room participation based on attendance in respect of theory courses and lab involvement / records attendance in respect of Practical Courses.

Internal assessment of the project will be based on its content, method of presentation, final conclusion and orientation to research aptitude.

Components with percentage of marks of Internal Evaluation of Theory Courses

Test paper	40%
Assignment	20%
Seminar	20%
Class room participation based on attendance	20%.

For practical courses

Record	60%
Lab involvement	40%

To ensure the transparency of the evaluation process, the internal assessment marks awarded to the students in each course in a

semester shall be notified on the notice board at least one week before the commencement of external examination. There shall not be any chance for improvement for internal marks.

The course teacher(s) shall maintain the academic record of each student registered for the course, which shall be forwarded to the University by the college Principal after obtaining the signature of both course teacher and Head of the Department.

The split up of marks for Test Paper and Class Room Participation (CRP) for internal evaluation are as follows.

Split up of Marks for Test Paper

Range of marks in test paper	Out of 8 (maximum internal marks is 20)	Out of 6 (maximum internal marks is 15)
Less than 35 %	1	1
35%-45%	2	2
45%-55%	3	3
55%-65%	4	4
65%-85%	6	5
85%-100%	8	6

Split up of Marks for Class Room Participation

Range of CRP	Out of 4 (maximum internal marks is 20)	Out of 3 (maximum internal marks is 15)
50% CRP < 75%	1	1
75% CRP < 85%	2	2
85% and above	4	3

2. External Evaluation

External evaluation carries 80% marks. All question papers shall be set by the University. The external question papers may be of uniform pattern with 80/60 marks (The annexure can be given as Question paper pattern). The courses with 2/3 credits will have an external examination of 2 hours duration with 60 marks and courses with 4/5 credits will have an external examination of 2.5 hours duration with 80 marks.

The external examination in theory courses is to be conducted by the University with question papers by set by external experts. The evaluation of the answer scripts shall be done by examiners based on a well- defined scheme of valuation and answer keys shall be provided by the University.

The external examination in practical courses shall be conducted by two examiners- one internal and an external, the latter appointed by the University.

The project evaluation with viva can be conducted either internal or external which may be decided by the Board of Studies concerned. After the external evaluation only marks are to be entered in the answer scripts. All other calculations including grading are done by the University.

Revaluation: In the new system of grading, revaluation is permissible. The prevailing rules of revaluation are applicable to CBCSSUG 2019.

Students can apply for photocopies of answer scripts of external examinations. Applications for photocopies/ scrutiny/ revaluation should be submitted within 10 days of publication of results. The fee for this shall be as decided by the University.

Indirect Grading System

Indirect Grading System is based on a 10- Point Scale is used to evaluate the performance of students.

Each course is evaluated by assigning marks with a letter grade (O, A⁺, A, B⁺, B, C, P, F, I or Ab.) to that course by the method of indirect grading.

An aggregate of P grade (after external and internal put together) is required in each course for a pass and also for awarding a degree (A minimum of 20% marks in external evaluation is needed for a pass in a course. But no separate pass minimum is needed for internal evaluation).

No separate grade/mark for internal and external will be displayed in the grade card : only an aggregate grade will be displayed. Also the aggregate mark of internal and external is not displayed in the grade card.

A student who fails to secure a minimum grade for a pass in a course is permitted to write the examination along with the next batch. However, a student is permitted to move to the next semester irrespective of SGPA obtained.

SGPA of the student in that semester is calculated using the formula

$$\text{SGPA} = \frac{\text{Sum of the credit points of all course in a Semester}}{\text{Total credits in that semester}}$$

The cumulative Grade Point Average (CGPA) of the student is calculated at the end of a programme.

The CGPA of a student determines the overall academic level of the student in a programme and is the criterion for ranking the students. CGPA can be calculated by the following formula.

$$\text{CGPA} = \frac{\text{Total credits points obtained in six semesters}}{\text{Total credits acquired (120)}}$$

SGPA and CGPA shall be rounded off to three decimal places. CGPA determines broad academic level of the student in a programme and is the index for ranking students (in terms of grade points).

An overall letter grade (cumulative grade) for the entire programme shall be awarded to a student depending on her/his CGPA (Annexure- I)

**Ability Enhancement Courses/Audit Courses**

There are courses which are mandatory for a programme but not counted for the calculation of SGPA or CGPA. There shall be one Audit course each in the first four semesters. These courses are not meant for class room study. The students can attain only pass (Grade P) for these courses. At the end of each semester there shall be examination conducted by the college from a pool of questions (Question Bank) set by the University. The students can also attain these credits through online courses like SWAYAM, MOOC etc.(optional). The list of passed students must be sent to the University from the colleges at least before the fifth semester examination. The lists of courses in each semester with credits are given below.

Courses with Credit	Semester
Environment Studies - 4	1
Disaster Management - 4	2
*Human Rights/Intellectual Property Rights/ Consumer Protection - 4	3
*Gender Studies/Gerontology - 4	4

* Colleges can opt any one of the courses.

Question Paper Pattern**• Question Paper Type 1**

Scheme of Examinations: The external Question Paper with 80 marks and internal examination is of 20 marks. Duration of each external Examination is 2.5 Hrs. The pattern of External Examination is as given below. The students can answer all the questions in Sections A&B. But there shall be Ceiling in each section.

EVALUATION AND GRADING FOR P.G. REGULATION 2019

Internal Evaluation / Continuous Assessment (C.A.)

This assessment shall be based on a predetermined transparent system involving periodic written tests, assignments, seminars and Viva-Voce in respect of theory courses and based on tests, lab skill and records/viva in respect of practical courses.

The criteria and percentage of Weightage assigned to various components for internal evaluation are as follows:

(A) Theory:			
Sl. No.	Component	Percentage	Weightage
1	Examination/Test	40%	2
2	Seminars/Presentation	20%	1
3	Assignment	20%	1
4	Attendance	20%	1
(B) Practical:			
1	Lab Skill	40%	4
2	Record/Viva	30%	3
3	Practical Test	30%	3

Grades shall be given for the internal evaluation are based on the grades A+, A, B, C, D & E with GRADE POINTS 5, 4, 3, 2, 1 & 0 respectively. The overall grades shall be as per the Ten Point Scale

There shall be no separate minimum Grade Point for internal evaluation. To ensure transparency of the evaluation process, the internal assessment marks awarded to the students in each course in a semester shall be published on the notice board before 5 days of commencement of external examination.

There shall not be any chance for improvement of internal marks.

The course teacher shall maintain academic record of each student registered for the course, which shall be forwarded to the University, through the college Principal, after being endorsed by the Head of the Department.

For each course there shall be class test/s during a semester. Grades should be displayed on the notice board. Valued answer scripts shall be made available to the students for perusal.

Each student shall be required to do assignment/s for each course. Assignments after valuation must be returned to the students.

The teacher shall define the expected quality of the above in terms of structure, content, presentation etc. and inform the same to the students. Punctuality in submissions is to be considered.

Every student shall deliver Seminar / Presentation as an internal component for every course and must be evaluated by the respective course teacher in terms of structure, content, presentation and interaction. The soft and hard copies of the seminar report are to be submitted to the course teacher.

All the records of Continuous Assessment (C.A.) must be kept in the college and must be made available for verification by University, if asked for.

There shall be an objective test in the nature of Fill in the blanks / Multiple Choice Questions (M.C.Q.) for awarding internal assessment marks for SDE/Private Registration students

External /End Semester Evaluation (ESE)

- The semester- end examinations in theory courses shall be conducted by the University with question papers set by external experts. The evaluation of the answer scripts shall be done by examiners based on a well- defined scheme of valuation.
- After the external evaluation, only Grades are to be entered in the space provided in the answer script for individual questions and calculations need to be done only up to the cumulative Grade Point (C.G.P.) and all other calculations including grades are to be done by the University.
- Students shall have the right to apply for revaluation or scrutiny as per rules within the time permitted for it.
- Photocopies of the answer scripts of the external examination shall be made available to the students for scrutiny on request by them as per rules.
- The external evaluation shall be done immediately after the examination preferably in a centralized valuation camp.
- The language of writing the examination shall be separate regulations for the programme by the concerned Board of Studies.

Question Paper Pattern

Questions shall be set to assess the knowledge acquired, standard, and application of knowledge, application of knowledge in new situations, critical evaluation of knowledge and the ability to synthesize knowledge. Due Weightage shall be given to each module based on content/teaching hours allotted to each module.

1. It has to be ensured that questions covering all skills are set. The setter shall also submit a detailed scheme of evaluation along with the question paper.

2. A question paper shall be a judicious mix of short answer type, short essay type/problem solving type and long essay type questions.
3. The question shall be prepared in such a way that the answers can be awarded A+, A, B, C, D, E Grades.
4. Weightage: Different types of questions shall be given different weightages to quantify their range given in the following model:

Sl. No.	Type of Questions	Individual weightage	Total weightage	Number of Questions to be answered
1	Short Answer type questions	2	$2 \times 4 = 8$	4 out of 7
2	Short Essay/ Problem Solving type	3	$3 \times 4 = 12$	4 out of 7
3	Long Essay type questions	5	$5 \times 2 = 10$	2 out of 4
Total			30	18

5. Questions should be asked as possible from all modules following a uniform distribution. However concerned BoS can change the pattern and type of question subject to the condition that total Weightage should be 30.
- End Semester evaluation in practical courses shall be conducted and evaluated by both Internal and External Examiners as per the stipulations of the concerned Board of Studies. Duration and other aspects of practical external examinations shall be decided by the Boards of Studies concerned.

Audit Courses

In addition to the above courses there will be two Audit Courses (Ability Enhancement Course & Professional Competency Course) with 4 credits each. These have to be done one each in the first two semesters. The credits will not be counted for evaluating the overall S.G.P.A. & C.G.P.A.

The colleges shall conduct examination for these courses and have to intimate/upload the results of the same to the University on the stipulated date during the III semester. Students have to obtain only minimum pass requirements in the Audit Courses.

The details of Audit Courses are given below.

CARMEL ANTHEM

Beacon of 'love' beacon of 'light'
Mary Carmel's star....
We come in love, to honour you Mother we are
your children....(2)

Queen of Carmel, beauty and splendour
She stands proud before God
We come and sing, with Mother of Carmel
To God Almighty we thank....

Give 'light' everyone, 'love' one another
And trust in your God
With love and faith....(2)

2022-2023

" Let your ability
be in piety
regulating your life and
controlling your senses "

St. Chavara
